FARM BUREAU TO HOLD BIG MEETING APRIL 20

State Officials Will Be Present to Address Assemblage. Public Session in Evening

PRELIMINARY PLANS STARTED

A greater effort than ever before is being made this year to bring the message of the farm bureau to the individual farmer. One of the steps along this line is an all day and evening meeting to be held in Ukiah on April 20.

Preliminary plans for this meeting were started Tuesday night when the Ukiah farm center appointed a committee on arrangements and advertising. This was the night of the regular meeting of the Ukiah center, which meets at Central school house north of Ukiah. The committee appointed is composed of P. E. McKinney, Hanby Ford, Joseph Beck, H. E. Dewey, L. L. Hooper and C. A. Bernhard. The committee got together immediately on Wednesday morning and have about completed plans.

Among the state officials to be present are Alex Johnson, California state federation secretary, and J. J. Deuell, who is head of the law and utilities department of the farm bureau. These men will be the principal speakers at the evening meeting.

Delegates will be sent in from the various farm centers of the county and a business session will be held during the day. This session will be devoted to business affairs of the farm bureau and some special matters that are coming up for consideration at this time.

In the evening a dinner will likely be held which will be participated in by such delegates and directors and officials together with their wives and such friends as desire to attend. The auditorium of the grammar school has been engaged and after the dinner a big evening meeting will be held there open to all the public. In fact the committee will make a special effort to thoroughly advertise the meeting so as to get just as many citizens present as possible.

Circular letters are being prepared to be mailed to a list of all the farmers in reach of Ukiah. This will of course include Willits, Redwood valley, Potter valley, Anderson valley and Hopland. It is hoped that the majority of the farmers from these sections will attend the evening meeting. Besides letters, posters and hand bills, the communities are being districted and every one having a phone in the several centers will be called on and urged to attend this meeting.

Both Alex Johnson and J. J. Deuell are brilliant men and fluent speakers. They are well worth hearing and they have a real message to put over. Business men and in fact all citizens of Ukiah and the county at large are urged to attend if possible. Business men are particularly invited because in these times in such purely agricultural communities as Ukiah the prosperity of the business man is very closely tied up with the prosperity of the farmer. What is good for one is good for the other and it is only right that they should meet on common ground and hear their problems discussed by such competent men as Messrs. Johnson and Deuell.

REYNOLDS JURY HANGS; DIVIDED SIX TO SIX

The jury in the case of the People vs. Harvey Reynolds, Caspar rancher and cattle dealer accused of cattle stealing, hung all afternoon last Friday and all night Friday night, and were discharged by Judge Campbell Saturday morning. They stood six to six.

District Attorney Hurley and Attorney Charles Kasch, special prosecutor, put up a splendid case for the people, while the defendant's interests were no less ably handled by Attorneys M. H. Iversen and Hale McCowen, Jr.

STORM A GODSEND

The storm of the past week has been a godsend to the ranchers and stockmen of this section in common with those of other parts of the state. It came just in the nick of time.

The precipitation for the week ending last evening was 4.44, making a total to date for the season of 25.78, which is almost the normal rainfall.

Mr. and Mrs. Sam Wellman left last Sunday for Modesto, where they will visit Mr. Wellman's mother and other relatives.

SPORTSMAN CLUB WORKS FOR BETTER CONDITIONS

The Mendocino County Sportsman Club, recently organized, is meeting with much encouragement in its efforts to secure a better observance of the fish and game laws, and its efforts in general for improved conditions relative to hunting and fishing in this county. The club has a good live membership with new members coming in at every meeting.

The spirit and purpose of the organization are aimed at a strict observance and enforcement of the laws as they are, even though some of them may not meet with our approval, and wherever changes in the law would seem to be for the best interest of good fishing and hunting, and for the welfare of the county in general, the members of the club will try to have such changes made.

For the purpose of securing better observance of the law, committees have been named by the club to cooperate with the game wardens and to render such assistance as may be necessary to secure the desired result. The fact that there are several parties who are authorized to act in this matter will, it is thought, insure a much better observance of the law.

Let's be good sports, and assist the Sportsman Club in every way we can in its laudable purposes in this important matter.

BLUE LAKES SECTION TO GET ELECTRIC SERVICE

Plans are being perfected for the running of electric service into Blue Lakes territory, providing energy for lighting, cooking and power service for the resorts in that section.

The engineers of the Pacific Gas and Electric Company have completed the preliminary surveys and upon completion of negotiations with prospective consumers, F. H. Bucknell, local agent of the company states, "That the extension of lines will be made involving an expenditure of $4,136.75."

ATTENTION, PLEASE!

If old Jupe Pluvius will have turned off the spigot in time to allow the field to dry off a bit, the Wildcat cinder-pounders will entertain the Willits high school track crew in a dual track and field meet up on the local high school oval tomorrow afternoon. The Wolves are very strong, especially in the field events, and the competition promises to be keen in every one of the fourteen numbers on the program.

DR. HANSEN ILL

Dr. J. H. Hansen was seriously ill the early part of the week and was confined to his home for several days with an attack of influenza. He was reported as improved yesterday.

BOOTLEG RAIDS STAGED AT FT. BRAGG SATURDAY

Eight Arrests and One Yet to Be Made Are Sum Total of Results Attained by Officers

Federal operatives to the number of seven, reinforced by Sheriff Byrnes and deputies and operatives from the office of District Attorney Hurley raided suspected blind pigs at Fort Bragg last Saturday and made eight arrests, taking a small quantity of booze in each place, which is being kept for evidence. One other arrest is yet to be made.

Owing to the number of officers engaged in it, the raid was one of the most spectacular ever pulled in the county. There were 14 men in the official cars. They dashed into Fort Bragg and separated into squads, each squad having its objective assigned previously, and almost before it was known they were in town they had cleaned up and had their prisoners under lock and key. Those arrested were the following, all of whom, we understand, will be charged with sale and possession: E. Angelo, E. Graziani, F. Richetti, J. Callina, J. Ballonarich, P. Jaconella, Charles Luchessi and Armando Celestini. The latter had thirty gallons of wine in his possession.

All were brought to this city and taken before United States Commissioner Henry Spurr, who placed them under bonds of $1000 each.

REILLY TAKEN TO CITY

Joe Reilly, who was brought to this city the early part of last week suffering from injuries received when he fell thirty-five feet from an old railroad trestle near his home at Christine, was moved to a San Francisco hospital the first of the week. His condition seemed to be getting worse. Last reports from San Francisco were that he was doing as well as could be expected, but that his injuries were of a very serious nature.

HUMBOLDT CO. FIGHTING SNOW MT. COMPANY

At Tuesday's meeting of the board of supervisors a resolution was passed opposing the application of the Snow Mountain Water and Power Company to appropriate the waters of Eel river, and J. F. Quinn was appointed by the board to assist the district attorney to defend the county's position before the Federal Power Commission at Washington, D. C. The application asks for the diversion of 400 second feet from the river, or an equivalent of 214,000 feet of water during the year.

Should the application of the power company be granted and the waters of Eel river diverted to another water shed or that of the Russian river, the agricultural interests of the rich and fertile Eel river valley would suffer. This county has gone on record as opposing any further diversion of the waters of the Eel river and the application of the Snow Mountain Power Company will not be granted with the consent of the people of this county.—Fortuna Advance.

JACK KIRKPATRICK ILL

Jack Kirkpatrick, secretary of the Ukiah Chamber of Commerce, has been confined to his home the past ten days with influenza and threatened pneumonia. Mr. Kirkpatrick has a host of friends who will join in wishing him a speedy recovery.

UKIAH BOY RECEIVES JOURNALISTIC HONOR

Floyd Moffitt, of Ukiah, sophomore student at the University of California, has just been appointed a junior manager of the "Blue and Gold," the university annual. Such an appointment is made only after a year's successful work on the sophomore staff, and is a great distinction because of the fact that awards are made to only three out of sixty contestants.

Moffitt is affiliated with the Theta Upsilon Omega fraternity.

CASE NON-SUITED

The case of Kieffer vs. Simmerly was non-suited in the superior court by Judge Preston the first of the week, after the evidence had been taken. The case was a damage suit brought by the guardian of Miss Keifer against Guy Simmerly, proprietor of a summer resort near Spy Rock. The plaintiff alleged that Simmerly permitted the girl to mount a vicious horse and that the animal bucked her off and she received various injuries from the fall and the shock attendant thereon.

Mr. and Mrs. George Johnson entertained as house guests over the week end Mr. and Mrs. Mark Eglin and two sons, Emmett and Abbott, of Caspar, and Mrs. G. H. Scott, of Fort Bragg.

YOUTHFUL BURGLARS LAND IN COUNTY JAIL

Fred Jackson, aged 17, and Harry Moore, aged 18, giving their home as Oakland, landed in the county jail the latter part of last week on a burglary charge preferred by Mr. Terwilliger, who owns a place near Twin Rock on the highway above Laytonville.

They are accused of breaking into Terwilliger's residence and stealing a number of articles.

They were arrested by Constable Branscomb, of Laytonville, who found them tramping along the highway, and were brought down to the jail by Deputy Sheriff Wm. Briggs, of this place, who happened to be in that section serving some papers.

DEATH OF J. P. LOWE

J. P. Lowe, a resident of Ukiah for some thirty years or more, died last Friday morning, the cause of his illness being high blood pressure. He leaves a widow, three daughters and two sons to mourn his loss.

He was a native of Missouri and was 72 years of age.

The sincere sympathy of a multitude of friends is extended the family.

SHOWER OF MERCHANDISE ON STREET TOMORROW

Tomorrow (Saturday) afternoon at 2 o'clock, A. E. Gustafson will throw $150 worth of merchandise from the roof of his store on State street to the sidewalk below. This merchandise will consist of pairs of shoes, shirts, and other merchandise that cannot be damaged by the drop. It will belong to whoever picks it up. If the size does not fit you, you may exchange inside the store for your size. Be sure to be present. Remember the hour, 2 o'clock.

MRS. EARL McNEEL WINS LOCAL GUESSING CONTEST

Mrs. Earl McNeel, of Potter valley, was the lucky winner of the pair of shoes offered by the Hornbrook shoe store for the nearest correct answer to the question, "If your feet could talk, what would they say?"

The correct answer was, "Brownbilt shoes, please." Mrs. McNeel's guess was, "Please buy me a pair of Brownbilt shoes."

IT WAS NOT THE ATTORNEY

Attorney Lilburn Gibson of this city has come in for considerable embarrassment the past week on account of an item appearing in last week's Dispatch. The item was a news story telling of the arrest and fining of L. L. Gibson on a charge of fishing for trout out of season.

The attorney's initials are L. I. Gibson, not L. L., and it was not he whom the item concerned.

Mrs. Ray Enright underwent an operation for appendicitis the first of the week. The operation was performed by Dr. Rea and Mrs. Enright is improving steadily.

BAY BRIDGE HEARING HELD IN S. F. TODAY

Atty. Mannon to Represent Mendocino County and Also Sonoma and Napa Opposition

OPPOSITION TO BRIDGE GROWS

On account of a crowded calendar in the state supreme court at San Francisco Tuesday the court postponed until today the hearing of the arguments in connection with the application of the Bridging the Golden Gate association for a writ of mandate to compel the secretary of state to advertise organization of the Golden Gate Bridge and Highway district. The hearing is in reality a test of the legality of the withdrawal of Mendocino county from the district after preliminary action had been taken by the supervisors to join it. The bridge association will ask for a review of the entire act authorizing the formation of the district, it is expected.

Attorney Charles M. Mannon of this city will attend the court session to represent the Mendocino county supervisors, the Mendocino county farm bureau and others in this county opposed to our joining the association. In addition Mr. Mannon is representing opposition in Sonoma and Napa counties. Atty. Casper A. Ornbaun, of San Francisco, a former Mendocino county man, also is appearing in opposition to the proponents of the bridge.

As the people of the section north of the bay are taking a sober second glance at the possibilities of the proposition, the opposition is growing by leaps and bounds.

The Napa county farm bureau as a body has condemned it as has also the Sonoma county grange. The farm bureau of the latter county has, we understand, voted to support it, but enough names have been withdrawn from the Sonoma county petition to bring the signatures considerably below the necessary ten per cent. The same thing has been done in Napa county.

EXCURSION SUNDAY

Th Northwestern Pacific announces an excursion from San Francisco to Ukiah Sunday. They have made a rate of $2.50 for the round trip, and former residents who are located in the city are expected to take advantage of the extraordinarily low rate in large numbers.

The countryside was never more beautiful than at the present time and the trip will be well worth while.

The railroad company many years ago ran several of these excursions to Ukiah every spring and they brought large crowds. If the patronage accorded this one is sufficiently generous the railroad company will probably run others soon.

REDWOOD VALLEY DANCE

There will be another of the Blue Lakes orchestra's dances at Redwood valley grange hall tomorrow night. A large crowd was out to the dance there last Saturday night and a good time is reported.

The Rambler

I just read that as a rule people of low mentality are good writers, that intelligent people think twenty times faster than they write and that people of low mentality have nothing else to think about but the shaping of their letters. I often wondered why I was such a poor writer, but now I know that it is not my fault but the fault of my mentality. All of which goes to show that all of us sometimes talk nonsense.

* * * * *

The old automobile bodies have been removed from the rear of the grammar school yard. Thanks. It looks better. But the big chunks of wood are still there. A little trash lying about can ruin the appearance of any yard. What do you say, trustees, that you clean up?

* * * * *

Don't expect the newspaper to speak your thoughts all the time. Even your closest friends do not agree with you in everything. There are a few great fundamentals and if you can agree upon these, then why fall out over a few minor details?

* * * * *

Ukiah is to have a bond election to complete the sewer sytem. None should object and I venture to predict that it will remove the cause of a large proportion of our sickness. The health of the community is a matter of first consideration.

* * * * *

And the bridge across Orr creek is to be built. With the sewer system completed, a new bridge and the entrances to the city smoothed down, Ukiah can afford to take a rest for a time.

* * * * *

It would be a fine thing if all the organizations in Ukiah that want club houses would get their heads together around a common table and agree upon a community house. If they could thus agree the club house would be built. In the first place, there would be no duplication, which is pure economic waste, and lastly, they would do something of genuine value to the community. If one good building is enough, why have several? And wouldn't one real club house for all be better than several ordinary ones? Of course, this is little of my business, and maybe I shouldn't meddle.

* * * * *

I want to compliment Manager Bill Roberts, of the State theatre, on his April program. Almost all of us like to go to the picture show and when Bill gets some especially good pictures we should not only go and show our appreciation, but should tell the management of our pleasure. A theatre is operated for a profit as any business enterprise. If we want high-class pictures there, all we need to do is to make them pay and along they will come. Bill has some good things for the month. Tell him so. The day of waiting until a person is dead to present the bouquets is passing.

* * * * *

George Shima, a Japanese farmer, came to this country without means when twenty-three years of age. He died the other day at the age of sixty-two. During his residence of thirty-nine years he accumulated a fortune of $15,000,000. At one time he actually grew more than one-half of the potatoes of the state. That is quite a career even for an American.

* * * * *

The truth is generally reached after a full, frank discussion on both sides of any controversy. It is only the bigot or the fool, and not the searcher after truth who refuses to hear patiently the other side on any question. Thoreau said that it takes both sides to tell the truth. The longer I live the less certain I am of anything.

* * * * *

I don't want to start any religious controversy, but I would like to have someone write the Rambler, and briefly answer—Why I am a Baptist, or a Presbyterian, or a Methodist, or an Episcopalian or a Campbellite. I heard a sermon last Sunday that set me thinking. I am convinced that we are ceasing being content to worship blindly. I would like to know what there is in any Protestant church that would forever set its members apart from any other Protestant church. My guess is that most people go to a particular church because their parents did before them.

WILDCAT CHATTER

(By CLAIR ELLEDGE)

Ho-hum! This thing of watching Coach Beaufort's Wildcat apple-flingers whitewash their opponents with such ungodly scores is getting somewhat monotonous. First it was the Willits Wolves who were clawed —score, 7 to 0. Then the Upper Lake Indians got it in the neck—result, 11 to 0. And now the Lakeport Catfish. These last named victims came over last Saturday morning with high ambitions and three pair of pants to distribute among some dozen or so horse-hide gobblers. Their intentions were good but to tell the truth, they created as much furore as the dumping of a load of sand in the Sahara desert. They had as much chance against the Wildcats as an angleworm in a battle royal between eighteen sharks and twenty-one devilfish. The 10 to 4 score indicates that they had about as much right tackling Coach Beaufort's crew as a goldfish has of chasing a cat up a persimmon tree. Be all this as it may, however, the Lake county lads had a couple of real ball players in their midst. Pool, the half-pint second sacker, put up a whale of a fielding performance and hit well also. He handled eleven chances at the keystone cushion and allowed but one to slip through his lunch-hooks. A single and a two-bagger were his contributions to the hit column. The other notable visitor was Thompson, who led the whole shootin' match with the wagon-tongue. Two singles, a double, and a three-base clout were his gifts to the Catfish cause. These two men stood out from their cohorts like a six-carat diamond on the middle finger of some lucky nigger owning land in the middle of a new oil field in Texas.

Leno shouldered the hurling onus for the Wildcats but with the exception of one inning he was never in danger. In the third spasm, Lakeport scored three runs on a double, two singles, and an infield error but the local boys came back with blood in their eyes and soon ran up such a lead that Leno took it easy for the remainder of the game. After the fourth frame, the visitors saw about as much of the lead as a blind Eskimo sees of five-legged kangaroos.

Lakeport had an awful time deciding upon which of their number should grace the mound in the role of hurler extraordinaire for the performance. Coach Trowbridge tried out nearly every man except the catcher and the bat boy but they all looked alike to Coach Beaufort's gang of willow-wavers. Lewis lasted 3 1-3 innings and was holding his own when he was jerked for George. Young Mr. George had nothing except, maybe, paralysis and after one frame, during which he was bumped for some six safeties and four tallies, he was yanked for Knight, who breezed through the rest of the affair without any serious mishap.

All the Wildcats hammered the pill right lustily, every one getting at least one hit. Gibson led the way with three safe blows and Brown, Weselsky, Whittaker, and C. Vassar each gathered in a pair. L. Vassar continued his sack-pilfering rampage by beating the peg on three occasions. Anker also stole three bases. These two and C. Vassar certainly make life miserable for opposing backstops.

Next Friday, the Wildcats will run into their hardest tilt this season when they tangle toe-nails with the Kelseyville crew on the local field. If Coach Beaufort's crew cops this one, there'll be only Fort Bragg between Ukiah and the section championship. This is quite an obstruction, but the Wildcats have a better than even chance of knocking over the Lumberjacks for the first time since the memory of man runneth not to the contrary.

RANCH HOUSE BURNED

Saturday afternoon the home of Ole Kroh, with its contents, were burned to the ground. The property belongs to the Northwestern Redwood Company and is sometimes called the Utter ranch.

The fire caught from a stovepipe passing through the roof and the whole of the upper portion of the building was one huge mass of flames when it was discovered. Mrs. Kroh and small children were alone at the time, and when some of the neighbors arrived the fire had gained too much headway to be able to save much of the contents. We understand that Mr. Kroh had quite a lot of currency in the house and this is a total loss. There was no insurance.—Willits News.

MOFFITTS DEPART

C. E. Moffitt and family took their departure the first of the week for Tulare county, where Mr. Moffitt has assumed the management of a ranch recently bought by his son, Dan Moffitt, from Hopkins & Gibson of this place, who had taken it in on a real estate deal.

The community regrets to lose the family from our midst and all will join in wishing them success in their new field.

Guests at the Eugene Szanick home for Eastertide were his brother, C. Szanik, and Mrs. Szanik's sister, Mrs. F. Woodside, of San Francisco.

The Reach of the Spoken Word

WHEN the small family group of primitive man expanded into the cave community, a means of communicating beyond the normal range of the voice became imperative. Then someone discovered that by making a speaking-trumpet of his hands he could increase the reach of the spoken word, could add new effectiveness to the human voice.

Other means of transmitting intelligence, in their turn, were found to serve the needs of man: the signal drum and the beacon fire; the written message, carried by runner, by rider, by water or by rail; and finally, the telegraph.

But these messages, however carried, lacked the direct and personal qualities of conversation. They were but symbols of speech, the shadows of the spoken word.

Then, fifty years ago, came the telephone. A half-century of scientific research has extended the reach of man's voice to thousands of miles. The Bell System's vast network of lines provides a service nationwide in scope. The American continent today is no larger, from a communication standpoint, than was the prehistoric community in which the cavemen shouted from cliff to cliff.

Local Lad Shows Artistic Talent

A cover design submitted by Philip Joseph, son of Mr. and Mrs. P. H. Joseph, is one of 135 designs comprising the traveling exhibition of House Beautiful now being shown in all the large cities of the east.

Philip Joseph submitted the design in the fourth annual cover competition held by "House Beautiful," one of the best known high-class magazines in the country. Over 1100 designs were received from all over the United States, Canada, Hawaii, the Philippines and Bermuda. The judges, consisting of members of the House Beautiful staff and Professor Martin Mower of the department of fine arts of Harvard University, awarded a first and second prize and a special student prize.

From the group of 1100 designs, 135 were chosen to form the traveling exhibition which was put on view for two weeks in Boston and is now carrying out a schedule that includes New York, Buffalo, Syracuse, Clevleand, Indianapolis, Chicago, Detroit, Brooklyn, Pittsburg and Philadelphia.

The selection of Philip Joseph's design as one of the group for the traveling exhibition is a very great honor for one so young in the work. The prizes offered in the competition are valuable and the best artists in this country compete. Master Philip has been talented along these lines from babyhood and his latent ability has been developed under the direction of Miss Bertha Boye. Philip is a freshman in the local high school. His future work along these lines will be followed with great interest.

EXCELLENT PROGRAM

One of the largest attendances at Saturday Afternoon club meetings turned out to enjoy the program put on last Saturday by Junior auxiliary members. The program was most excellently arranged and very capably presented by the young people. The credit for the success of the afternoon's program is due Mrs. J. H. Martensen, who planned the program and trained the young people. The musical, literary and dance numbers were all splendidly presented. While each number was very cleverly given, special mention should be made of the work of Miss Pauline Benjes in the automatic doll dance.

The Junior auxiliary was organized this club year, holding fortnightly meetings under the direction of Mrs. Martensen.

MORE MILES TO THE GALLON

It takes in *all* three

And all three are important—the start, a sustained flow of dependable power, economical mileage. But, to satisfy 999 out of every 1000 motorists, these three results must be combined in proper proportion.

If you are one of the 999, you will like Associated. For Associated Gasoline is refined so as to have a distinctive range or chain of boiling points. As a result, Associated gives you—in perfect coordination—(1) satisfactory quick starting, (2) a full stride of power, (3) mileage. Associated is always associated with "more miles to the gallon."

MARKET REPORT

Review of the livestock market for week ending Tuesday, April 6, 1926:

CATTLE: Arrivals for the week about 3,000, consisting of Oregons 14, Nevadas 44, Californias 28, Idahos 5 and Utahs 22, about 1,000 of these coming from packers' own ranches in Nevada and California. A shipment of 100 grass steers came from one packer's ranch averaging 1063 lbs. off cars, carrying good fleshing and killing only slightly yellow. Supplies of cattle were accurately guaged to demand, there being liberal assortments of all grades as to weights and quality. A two-car shipment of good 1050 lb. Salt Lake show steers fed some time cost around $9.00 off cars and sizeable strings of good Utah and Nevada 1000-1050 lb. steers scored $8.65-$8.85 with medium to good Nevadas and Californias at $8.35-$8.65, in all about 20 cars figuring with the latter limits. The season now is between good feed lot supplies and beginning of grass supplies, a four-car shipment of steers marked $8.00 off cars showing as did a string of four cars of cows from grass area. Two cars of good 963 lb. dehorned smooth grass cows scored $6.50 and two cars of 1085 lbs. $7.50, the former looking too low and the latter looking too high with the bulk of bids for good grass cows around $7.00-$7.25 off the cars. Intermountain heifers of good quality moved at $7.50-$7.75, a few cars of 750-790 lb. Idahos and Utahs bringing this figure while numerous loads of common to medium cows and heifers came from killer's own ranches. A two-car shipment of low medium and common cows were handled on commission. Other concerns had cows and calves from grass areas. Car fat fed 1300 lb. bulls $5.00.

CALVES: Unloads of calves about 450, a two-car shipment of 150 lb. medium calves scoring $10.-25 with good to choice 150-200 lb. calves at $11.00-$11.25, part car choice $11.50 all from California. A few loads of 350-400 lb. calves were sought.

HOGS: About 25 cars of Nebraska good to choice 190-225 lb. butchers cost $14.65-$15.00 with most 170 lb. Idahos at $15.00, including three-car assortment diverted from Los Angeles. Local nearby trucked and driven-in garbage butchers moved at $13.50. California 150-170 lb. hogs in demand with some concerns placing orders at Omaha.

SHEEP: Unloads of lambs for past week about 10,000, being 3,000 less than week previous due to fact that eastern dressed shipments curtailed. Bulk of lambs were soft, indicating lack of firm feed in the country points and scaled mostly 60-70 lbs. costing $12.50-$13.00 or around 50c lower than week previous. All districts contributed to the supply. The lambs seem fat and look good to choice but cut rubbery. A few cars of grass full-wooled yearlings moved at $10.50, shorn $9.50 and wooled ewes quotable $8.00, but most shorn ewes at $7.00-$7.50 with medium 94 lb. fresh shorn ewes at $6.50-$6.75. Dressed lamb shipments out of state around 20 cars or 18,000 head. Live lamb shipments 25 single decks, less than year ago.

COAST NOTES

(Mendocino Beacon)

Ailment Attacks Goats

Farm Advisor Foote was called to the coast Tuesday. Mrs. Foster, of Little River, had lost a number of goats from her herd and the cause could not be definitely ascertained. While none of the affected animals have yet been posted, all indications point to stomach worms, which have affected some coast sheep this winter. Treatment for this cause will be given.

Pays for Spree

FORT BRAGG, Apr. 2.—One Manuel Cardinis became intoxicated last Sunday evening and proceeded to let off steam by smashing a window of a store on Redwood avenue. He was arrested and placed in the city jail over night and next day appeared before City Recorder Johnston and was fined $15 for being drunk and assessed $25 to pay for the plate glass window.

Autoist Kills Cow

Thursday evening as Claire Patton was driving a cow across the Big river bridge and had reached the far end of the bridge, Alvin Reynolds came along down the hill at a lively rate and a collision occurred in which the cow came off second best, the car striking her in the head and killing her almost instantly. As the cow was a good milker, the accident means quite a loss to Mr. Patton.

SALVATION ARMY TO HOLD SERVICES HERE APRIL 13

Special services will be conducted by the Salvation Army in this city on Tuesday evening, April 13, at the Baptist church, at 8 o'clock. Brigadier John W. Hay commanding the northern California division with headquarters at Sacramento, accompanied by Adjutant Jesse Roe, the young peoples' secretary, and Mrs. Roe, will be visitors at this time.

The brigadier is no stranger to our city, having held meeting here on several different occasions, and is always assured of a cordial welcome by the Ukiah people. Brigadier Hay is a man with a message of vital interest to all as practically his entire life has been spent in the ranks of the Salvation Army, with its many kaleidoscopic changes, and its real touch with humanity.

This will be the intitial trip of Adjutant and Mrs. Roe to Ukiah, they having come only recently to California where the adjutant has taken over the work of young people's secretary for the division. The adjutant is a very forceful speaker also, and Mrs. Roe a sweet singer who accompanies herself on the guitar, making a very pleasing soloist.

Arrangements for the meeting were completed last week by Ensign B. T. Stack of Fort Bragg, who was in the city at that time, and who with Mrs. Stack will be a member of the visiting salvationists next Tuesday.

Brigadier John W. Hay, divisional commander of the Salvation Army in northern California, will be the principal speaker at the Rotary club luncheon on next Tuesday at the Palace hotel, where he is scheduled to speak on the "Rise and Progress of the Salvation Army." Brigadier Hay is a Rotarian of Sacramento club, and has spoken before most of Rotary clubs in the northern part or the state.

The brigadier will be accompanred by Adjutant and Mrs. Roe of Sacramento, and Ensign and Mrs. Stack of Fort Bragg. Mrs. Roe, who is a very sweet singer, is billed to sing a couple of songs at the luncheon, accompanying herself on the guitar.

ANDERSON VALLEY

BOONVILLE, April 6.—Easter Sunday was appropriately observed throughout the valley. There was Sunday school at Boonville and preaching by Rev. Saunders at Philo Sunday morning. Sunday evening at the town hall, Boonville, an excellent service and program was rendered. By 8:00 o'clock the hall was crowded and the late comers had to stand. The Odd Fellows, in regalia, attended in a body. The choir, a quartette and a duo sang selected songs. Next came the children with songs and recitations followed by an Easter pageant representing the spirit of freedom. Rev. Saunders gave an inspiring talk; his subject was "Freedom and Joy." 'Tis said that this service had a larger attendance than any other for many years past.

The "community spirit" that prevails in the valley now is a joy to behold. When you see the people of any community turn out in any kind of weather to support an affair of merit, you may be sure that that community is up-to-date and progressive. Keep your weather eye on Anderson valley.

J. T. Farrer is having ground graded just north of his store and will soon have a modern service station erected thereon. Mr. Farrer says the service station is to be modeled after one of the big oil company's service stations. That's another boost for Anderson valley.

H. Camm and family, of Petaluma, were in the valley during the past week. Mr. Camm owns the timber on the Lambert ranch and came here on business. He is said to have made a contract with Mr. Johnson to cut the timber and make posts.

Mr. and Mrs. Felix Gianochi, of Susanville, after a winter's travel through Arizona, Mexico and southern California, are now visiting relatives in the valley.

Mrs. Thomas Simpson and children are visiting Mrs. Simpson's father and mother, Mr. and Mrs. D. H. Lawson.

Ed. Jewett is pruning his orchard while spending his vacation with his mother.

Mr. and Mrs. C. E. Piburn, of Sebastopol, spent three days of the Easter vacation with their daughter, Mrs. Chas. Ingle, and family.

Roscoe Lawson and family are having an Eastertide with relatives at Boonville.

The friends of Leonard Lawson and George Gianochi are pleased to hear of the boys getting on so well at Arcata normal. The two boys go south with the baseball team for a series of games this week.

Mrs. J. Ginochio and son have been visiting relatives in Ukiah the past week.

Ernest Farrer, of Santa Rosa, is visiting relatives here.

Alva Ingram and family, of Talmage, were in the valley the past week.

H. Clemens, of San Luis Obispo, is visiting his sister, Mrs. D. H. Lawson.

For many days previous to the present "storm" the weather was just fine for picnicking and on Sundays—and any other a good excuse could be thought of—many were out on Rancheria creek and other delightful places to enjoy bountiful, beautiful nature.

The gentle rain that has been falling for the past few days is producing two wonderful crops—smiles and apples.

Mr. and Mrs. Dow Chilson and daughter, and Mrs. Meade, a sister of Mrs. Chilson, motored up from the city the first of the week to spend a few days with friends in this city. They are former residents, Mr. Chilson having at one time been a member of the printing fraternity of Ukiah.

MARY PICKFORD PUTS SONG INTO PICTURE

There may be a lot of girls who "cannot sing the old songs" but there is certainly one who can put them in pictures and that is Mary Pickford whose latest United Artists Corporation picture, "Little Annie Rooney," closes tonight at the State theatre.

From the slender basis of the tender old song, loved by all the world, "The World's Sweetheart" has evolved a picture that is full of pathos and pure sentiment as well as rollicking with fun and comic situations.

However, if this putting songs into pictures should become the movie rage, the possibilities are somewhat appalling—but at any rate Mary is the pioneer in the field and will not suffer even under keen competition for her latest picture is really two songs set to the camera. It might also be called, and appropriately, too, "My Wild Irish Rose."

"COHENS AND KELLYS" AT STATE TOMORROW

If life was made for laughter, whoever attends the State theatre Saturday while "The Cohens and Kellys," the Universal-Jewel, is the feature, will live a complete life during the run of the picture.

"The Cohens and Kellys," is life jammed with wholesome human touches of pathos and comedy. It is a beautiful painting from the delicate brush of the great artist, Harry Pollard, the director who put Reginald Denny on the road to success.

It is not a farce comedy, but it is drama of the relations between the Irishman and the Jew told with an eye always on the comic possibilities of the tale.

Included in the cast of this picture are Charlie Murray, George Sidney, Vera Gordon, Kate Price, Jason Robards, Olive Hasbrouck, Nat Carr, Bobby Gordon and Mickey Bennett.

NEW DOG STAR FOR SUNDAY OFFERING

Peter The Great, the new marvel dog of the screen, comes to the State theatre on Sunday in his latest thrilling starring picture, "Wild Justice."

Filmed in the lonely snow country of the high Sierras, "Wild Justice" presents a rapid succession of exciting events against the majestic background of the snow-clad hills.

THRILLING PRODUCTION BILLED FOR MONDAY

The fascination, glamor and intense rivalry of the race track furnishes the splendid background against which is projected a striking story in "King of the Turf." Louis Joseph Vance and John Brownell collaborated in writing this F. B. O. Gold Bond Special, and these famous authors have injected into their rattling melodrama a note of humanness and sympathy that keeps it real as well as thrilling from start to finish. Nor have they forgotten comedy. In fact, no picture of recent memory has been so riotously amusing as the production that comes to the State theatre Monday.

POPULAR STAR FEATURED IN SECOND CIRCUS PICTURE

"The Devil's Circus," the Metro-Goldwyn-Mayer picture coming to the State theatre on Tuesday, is Norma Shearer's second picture with a circus background. About a year ago she was in "He Who Gets Slapped," directed by Victor Seastrom.

Charles Emmet Mack has a leading role with Miss Shearer in "The Devil's Circus," and others in the cast are Carmel Myers, John Miljan, Claire McDowell, Joyce Coad and the dog Buddy.

SCREEN'S BEST DRESSED ACTOR IN 'TOO MUCH MONEY'

Lewis Stone in the role of a janitor! This is difficult for a Stone "fan" to conceive; for this actor is considered one of the best dressed men on the screen.

Nevertheless, a janitor he is in First National's latest feature picture, "Too Much Money," which comes next Wednesday to the State theatre, with Stone and Anna Q. Nilsson in the featured roles.

UNUSUAL CAST IN COLLEEN'S IRENE

Players in Miss Moore's Latest Picture Are All Favorites

An unusually strong cast has been gathered by John McCormick to support Colleen Moore in her latest starring feature, "Irene," based on the musical comedy stage hit of the same name. The picture, which has been released through First National, comes to the State theatre next Thursday and Friday.

The cast supporting the fair Colleen includes Lloyd Hughes, her leading man; George K. Arthur, who enacts the role of Madame Lucy; Marion Aye and Bess Flowars, Irene's friends; Charles Murray, Kate Price, Lawrence Wheat, Ida Darling, Eva Novak, Betty Francisco, Cora Macy, Edward Earle, Lydia Yeamans Titus, and others.
